Re: The Capitol Committee  
October Quarterly Report (7/1/96 - 9/30/96)  
All Subsequent Reports

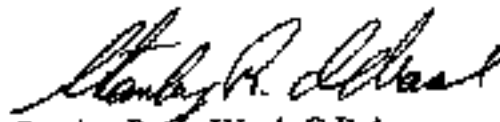

To Whom This May Concern:

Enclosed you will find an amendment to the October Quarterly Report for The Capitol Committee and of the subsequent reports since that the October Quarterly Report.

We have amended Schedule A Line 11(a)(i) of the October Quarterly Reporting in order to reflect a returned check. We did not make this amendment until now because we did not have the necessary information. The bank statement for August reported a deposit item returned for the amount of \$500. The statement however had no specification as to which item was returned and the check was never returned to us. We repeatedly requested a copy of the returned check. We did not receive the necessary information until this week. We have amended the October Quarterly Report and every subsequent report since the change affected the Cash on Hand Balance.

Sincerely,

DE WAAL, KEELER & COMPANY, P.C.
